# Bolero Vinyl

Resilience<sup>SR</sup> Enduring Protection represents the latest technology in Faux Leather and Vinyl Protection, enhancing performance where it is needed the most. It is stain resistant, anti-microbial and anti-bacterial as well as abrasion resistant.

# Cork Fabric

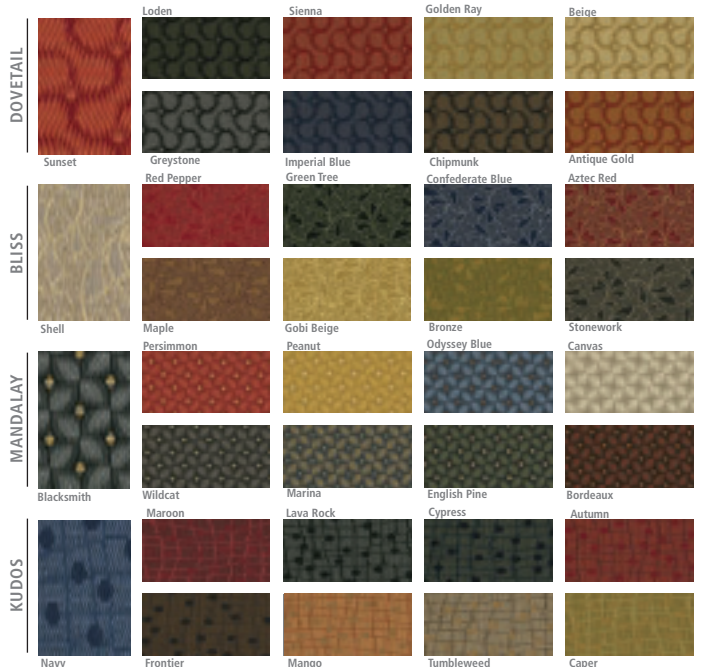

Everything about our Cork Fabrics is 100% Natural, from the Water Based Adhesive used to Laminate the Cork to the 100% Cotton Backing, to the Natural Pigments to produce the Colours and the Water Based Soil and Stain Repellent. Cork is Renewable, and obtained directly from the Bark of the Cork Oak Tree in Southern Europe, which has Physical and Chemical Properties never achieved with Man Made Products! Green Certification is in the process in Europe, with the goal of obtaining the Label in North America very soon.

Camel Raw Sienna Classic Chestnut

# Contessa Fabric

Made from Cottonesque® yarns, a highly engineered new yarn technology, Contessa fabrics clean, perform and wear like heavy-duty upholstery fabric, yet have the high-end look and soft feel of cotton.

Colors shown are approximations only. Please contact us for swatches and samples.
